

November 7, 2006 General Election Supplement to the Statement of Vote

EXPLANATORY NOTES

This Supplement to the Statement of Vote contains the official vote results for the November 7, 2006 General Election as provided to the Secretary of State's Office by the counties.

San Bernardino County

The sum of the vote results in the congressional district breakdown exceeds the county total vote in the Political District within Counties for State Ballot Measures report.

There is a duplicate precinct in the congressional district vote breakdown. All other district vote totals are correct. Please contact the county if you have any questions.

San Luis Obispo County

The sum of the vote results in the supervisorial districts is less than the county total vote in the Political District within Counties for Governor, United States Senate and State Ballot Measures reports.

In the county's Official Canvass, these "multiple districts" votes make up the difference between the supervisorial districts and the county total. County vote reporting system programmed mail ballot precincts by ballot type. Some of these ballot types crossed supervisorial district lines. These ballot types were consolidated into a line item called "multiple districts."
